Greetings Governor Wassana: I'm forwarding a digital copy of the letter the EPA Region 8 Water Division is mailing to you regarding the Cheyenne and Arapaho Tribes' interest in consulting on EPA Region 8's Dewey Burdock In-Situ Draft Permits re-issued in 2019.

Given the Tribes' stated interest during a September 11, 2019 meeting with EPA in response to our July 8, 2019 invitation to consult, please let us know if you are still interested in scheduling consultation with EPA Region 8 by contacting our offices as soon as possible. In the letter enclosed, the Region asks for your response by March 6, 2020, in communicating the Tribes' interest to consult with the expectation that we would hold a consultation meeting with you by April 30, 2020 to inform our Final Permit decisions later this year.

Please let me know if you have any questions, or feel free to reach out to Darcy O'Connor at (303) 312-6392 or oconnor.darcy@epa.gov, or Kim Varilek at (303) 312-6264 or varilek.kimberly@epa.gov.

We look forward to hearing from you as soon as possible and preferably by March 6, 2020.

Sincerely,
